

Warranty Statement

5 years is long enough to fulfil your biggest professional dreams. Whatever your ambitions may be, we are there to support you with proven quality that's been tested under extreme conditions.

Our approach

We design products that last! In the development process that takes place entirely in Belgium, we only choose high-quality components that guarantee a long product lifespan. The confidence we have in the quality of our solutions is reflected in our warranty policy.

3 YEARS WARRANTY
ON ELECTRONICS

For our hardware products such as amplifiers and media players, we offer 3 years of warranty.

5 YEARS WARRANTY
ON PASSIVE LOUDSPEAKERS

For our passive speaker range, we offer 5 years of warranty.

A handwritten signature in black ink, appearing to read 'Tom Van de Sande'.
